presents

PHILAWSOPHY *Philosophy se Law tak*
A series of conversations on philosophy,
law and the pandemic.

Discussant:
Dr. Meera Baidur

Discussant:
Abhilasha Nautiyal

DISCUSSANT BIOGRAPHY

Dr. Meera Baidur is a philosopher working in the Department of Arts, Manipal University Jaipur. She has a wide-ranging area of interests in the areas of Indian Philosophy, and environmental humanities such as conceptualization of nature in Indian thought, ecological and environmental ethics, religion and environment, environmental ethics, and sustainability issues. More broadly her research currently is in the area of lived concepts of Indian philosophy including place, aesthetics, decoloniality, ecofeminism and gender issues.

Abhilasha Nautiyal is a lawyer working with IRA Law with practicing areas in commercial dispute resolution, intellectual property, and commercial law among others. She has worked in teams representing brand protection and also handled India's first compulsory copyright license.

BRIEF ABOUT THE TOPIC

In this first episode, we will be focusing on the access to justice, matters of fairness, equality, and distribution with respect to the patenting of COVID vaccines.
