Nursery
(Probably Pune
Variety)

Basal Leaves

A photograph of a small, pale yellow flower with five petals, positioned on a dark, textured surface. To the left of the flower is a vertical ruler with millimeter markings. A purple rectangular box is overlaid on the image, containing the text 'PUNE VARIETY'. Below this box, a black rectangular box contains the text '4.2mm', indicating the flower's size. The background is dark and appears to be a piece of fabric or paper with a fine, grid-like texture.

PUNE VARIETY

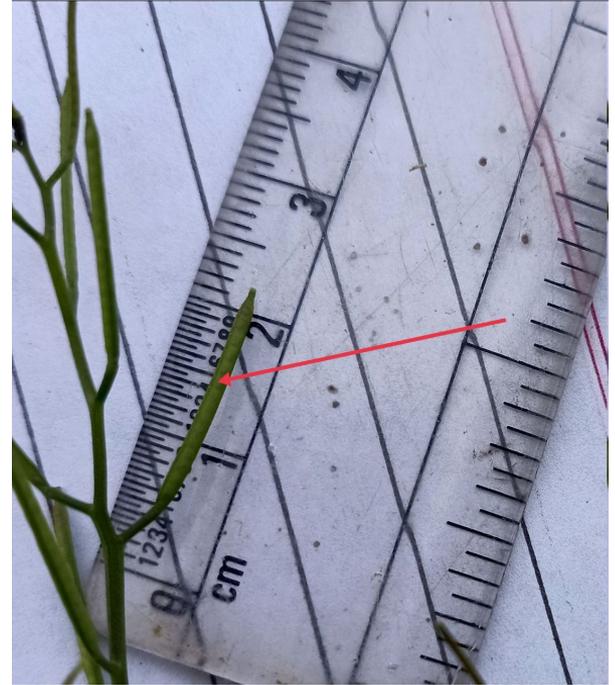

4.2mm

Sepals: Green (4)
Petals: white (4)
Stamens: 6(4+2)

Arrangement of Pedicel with respect to Inflorescence

Pedicel:0.5 Cm
Seed pod:1.5 Cm
